

Dokobit portal for the governmental organisations

A special offering of the Dokobit e-signing and e-signature collection portal is available for the Icelandic governmental organisations. Please contact us at sala@dokobit.is to get more information on how to order it.

With the Dokobit portal, you can easily run e-signing and e-signature collection processes. Additionally, the portal offers qualified validation, approvals, workflows, team management, usage reports, and many other features. Dokobit portal is also available on the mobile app.
